

ReaTure®

ReaTure Milk Almond Soap

Premium skincare with natural milk & almond goodness

www.reature.in

Product INTRODUCTION

ReaTure Milk Almond Soap is a premium skincare soap enriched with the natural goodness of milk and almond extracts. Designed for daily use, it gently cleanses the skin while providing deep nourishment and hydration.

The unique blend helps improve skin texture, enhance natural glow, and keep the skin soft, smooth, and healthy. With its mild and skin-friendly formula, it is suitable for all skin types and offers a refreshing bathing experience every day.

Milk Extract

Helps nourish and moisturize the skin, making it soft and smooth.

Almond Oil

Rich in Vitamin E, it deeply nourishes the skin and enhances natural glow.

Glycerin

Locks in moisture and prevents dryness, keeping skin hydrated.

Aloe Vera Extract

Soothes irritation and provides a cooling, refreshing effect.

Coconut Oil

Cleanses gently while maintaining the skin's natural moisture balance.

Neem, Tulsi & Calendula Extracts

Help protect the skin, reduce irritation, and promote healthy skin.

Key INGREDIENTS

BENEFITS AND FUNCTIONALITY

Deep Cleansing:

Effectively removes dirt, oil, and impurities while keeping skin fresh and clean.

Intense Moisturization:

Milk and almond help lock in moisture, preventing dryness and roughness.

Natural Glow Enhancement:

Improves skin radiance and promotes a healthy, glowing complexion.

Skin Nourishment:

Provides essential nutrients that strengthen and revitalize the skin.

Gentle & Skin-Friendly:

Mild formula suitable for all skin types, including sensitive skin.

Smooth & Soft Texture:

Regular use makes skin silky, smooth, and visibly healthier.

Protection from Dryness & Damage:

Helps protect skin from environmental stress and daily damage.
