About Product

REALOOK SKIN BRIGHTENING & HYDRATING CREAM is enriched with OceanDerMX® Balance & Brighten, a clinically validated New Zealand botanical complex that restores skin balance, boosts hydration, and visibly brightens complexion. Enhanced with Niacinamide, Vitamin E & Allantoin, it works synergistically to promote radiant, even-toned, and youthful skin.

ReaLook Skin Brightening & Hydrating Cream is a premium skincare formula designed to give your skin a natural glow while deeply hydrating and nourishing it.

Enriched with powerful ingredients like Niacinamide, Vitamin E, and botanical extracts, this cream helps improve skin tone, reduce dark spots, and restore moisture balance for healthy, radiant skin.

Its lightweight and non-greasy texture absorbs quickly, making it ideal for daily use on all skin types.

Beautiful Skin, Beautiful Moments

From office days to dinner dates 🌙

Key Highlights

Brightens & evens skin tone

Reduces dark spots & pigmentation

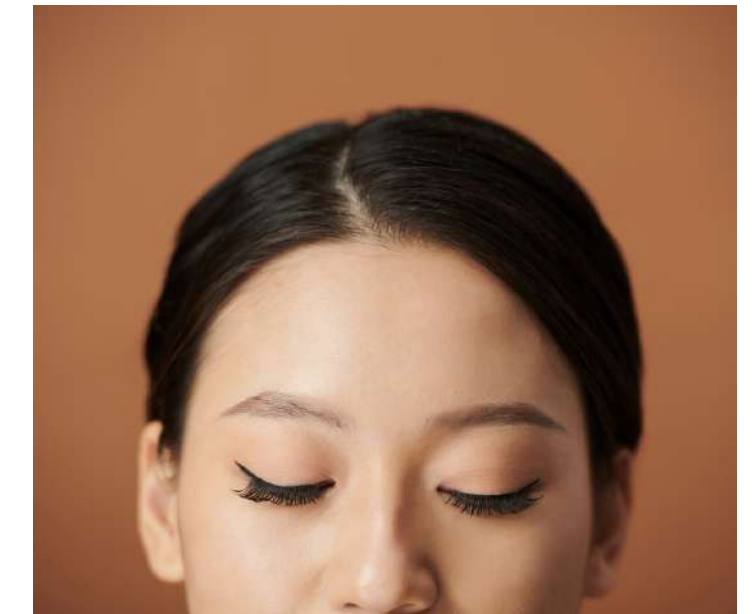

Deep hydration & long-lasting moisture

Smooth, soft & glowing skin

Repairs & strengthens skin barrier

Lightweight & non-greasy formula

Suitable for all skin types

The Power of Pure Ingredients

Our formula is powered by a blend of advanced skincare actives and natural botanical extracts that work together to deliver visible results.

Signature Ingredients

Niacinamide (Vitamin B3)

A gold-standard active that visibly brightens, refines texture, and enhances skin clarity for a flawless, even-toned complexion.

Licorice Root Extract

A delicate botanical known for its ability to illuminate skin tone and reduce the appearance of pigmentation, revealing natural luminosity.

Centella Asiatica

A time-honored ingredient that repairs, soothes, and strengthens the skin barrier, restoring balance and resilience.

Marine Algae Extract

A luxurious hydration booster that infuses the skin with deep, lasting moisture, leaving it supple and revitalized.

Black Fern Extract

An advanced botanical that helps improve skin firmness and elasticity, promoting a youthful, lifted appearance.

Vitamin E (Tocopherol)

A powerful antioxidant that protects against environmental stressors, preserving skin's youthful glow

Key Ingredients

Base & Hydration System

Deionized Water

→ Pure, clean base for safe formulation

Glycerin

→ Deep hydration & skin softness

Pentylene Glycol

→ Moisturizes + improves absorption

Xylitol, Anhydroxylitol, Xylitylglucoside (Aquaxyl Complex)
