

With ReoBalance and ReoTulsi or Reoffee

1. **Master Immunity Booster:** Helps strengthen the immune system.
2. **Boost Metabolism:** Supports metabolic functions.
3. **Relieve From Oxidative Stress:** Helps reduce oxidative stress.
4. **Powerful Anti-Inflammatory & Antimicrobial:** Contains properties that fight inflammation and microbial infections.
5. **Improve Vigour, Vitality & Stamina:** Aids in enhancing energy levels and stamina.
6. **Prevent from Lifestyle Diseases:** Claims to help prevent diseases related to lifestyle factors.

1. **Immunity Boost:** Tulsi (Holy Basil) is well-known for boosting the immune system.
2. **Anti-Inflammatory:** Curcumin, Ginger, and Tulsi have anti-inflammatory properties that may help reduce inflammation.
3. **Antioxidant Support:** Curcumin and Tulsi help fight oxidative stress, protecting cells from damage.
4. **Antimicrobial Properties:** Tulsi and Black Pepper have natural antimicrobial benefits, helping the body resist bacterial and viral infections.
5. **Respiratory Health:** Tulsi is often used to improve respiratory function and alleviate symptoms of cold and cough.

Option

1. Boosts Energy Levels:

- **Caffeine from Coffee:** Provides a quick energy boost, helping to reduce fatigue and increase alertness, making it ideal for starting your day or fighting off sluggishness.
- **Supports Brain Health and Cognitive Function:**

2. Lion's Mane Mushroom:

- Known for its neuroprotective properties, it helps stimulate the production of nerve growth factor (NGF), which may improve memory, focus, and overall brain health. It is also believed to reduce the risk of cognitive decline.

3. Immune System Boost:

- **Ganoderma (Reishi Mushroom):** Known for its immune-boosting properties, Ganoderma helps strengthen the body's defenses against infections and illnesses. It also has adaptogenic qualities, which help the body better handle stress.

4. Enhances Mental Clarity and Focus:

- **Korean Ginseng:** Helps improve cognitive function, mental clarity, and alertness. It also promotes overall brain health and supports concentration.

PAIN MANAGEMENT

With ReoBoint and ReoCal-D3
or ReoMega

BENEFITS

1. **Fast-Acting Formula:** Provides quick relief for bone and joint issues.
2. **Fortified with Phytodroitin and Rosehip:**
 - **Phytodroitin™** is a 100% plant-origin alternative to Chondroitin, a compound known for supporting joint health.
3. **Osteoarthritis and Rheumatoid Arthritis Support:** Helps manage symptoms of these conditions by reducing joint pain and inflammation.
4. **Improves Joint Lubrication:** Aids in healthy joint-lubrication, essential for smooth and pain-free movement.
5. **Enhances Joint Mobility and Flexibility:** Helps increase flexibility and mobility in joints, improving overall physical function.

BENEFITS

1. **The benefits of ReoCal-D3** (Calcium with Vegan Vitamin D3 & Vitamin B12)
2. **Supports Healthy Teeth & Bone Density:** Helps maintain strong bones and healthy teeth by providing essential calcium and Vitamin D3.
3. **Energy Production & Immune Health:** Vitamin B12 supports energy levels and enhances immune function.
4. **Promotes Hair Growth:** Encourages healthy hair growth due to the combination of vital nutrients.
5. **Contains Vegan Vitamin D3:** Ensures effective calcium absorption and supports overall bone health, especially for those on plant-based diets.

Option

Benefits of Reomega 1100 - DHA:

1. **Inhibits Malign Blood Triglycerides & Boosts Healthy HDL:**
 - Helps in reducing harmful triglyceride levels in the blood.
 - Promotes the increase of healthy high-density lipoprotein (HDL) cholesterol.
2. **Improves Mental Acuity Aiding Brain Cell Repair & Longevity:**
 - Enhances mental sharpness and cognitive functions.
 - Supports the repair and longevity of brain cells.
3. **Supports Joint Mobility, Skin & Retinal Integrity:**
 - Aids in maintaining healthy joint function and mobility.
 - Contributes to skin health and the maintenance of retinal integrity, benefiting vision.

HEART DISEASE

With ReoDilstrong and Reature
Cholest or Reoffee

BENEFITS

1. **Dilates Blood Vessels:** Promotes better blood circulation by dilating blood vessels.
2. **Improves Blood Lipid Profiles:** Helps in improving the levels of cholesterol and triglycerides, promoting healthier lipid profiles.
3. **Attenuates Diabetic Hypertension:** Aids in managing high blood pressure, particularly in diabetic patients.
4. **Policosanol:** Supports cholesterol management by reducing bad (LDL) cholesterol levels and promoting good (HDL) cholesterol.
5. **Phytosterol:** Known for lowering cholesterol levels and improving heart health.

BENEFITS

1. **Cholesterol Management:** Helps in regulating cholesterol levels, particularly in balancing LDL (bad cholesterol) and HDL (good cholesterol).
2. **Supports Cardiovascular Health:** Promotes heart health by improving blood lipid profiles and reducing the risk of heart disease.
3. **Antioxidant Protection:** May contain ingredients that reduce oxidative stress, supporting overall cardiovascular health.
4. **Prevention of Atherosclerosis:** Helps in preventing the buildup of plaque in arteries, which can reduce the risk of heart-related issues.
5. **Natural Ingredients:** Likely uses natural compounds aimed at improving heart health without synthetic additives.

Option

Benefits of Reoffee:

1. **Cholesterol & Blood Pressure Control:**
 - The combination of Ganoderma and Ginseng works synergistically to manage cholesterol and blood pressure levels, key factors in maintaining heart health.
2. **Improved Circulation:**
 - Enhanced blood flow from the nitric oxide-boosting effects of Ginseng and the anti-inflammatory properties of Ganoderma support healthier blood vessels.
3. **Stress Reduction:**
 - Adaptogens in Reoffee help manage stress, which is a major contributor to high blood pressure and cardiovascular disease.
4. **Antioxidant Power:**
 - Reoffee's antioxidant-rich ingredients help protect the heart from oxidative damage, which can lead to heart disease over time.
5. **Morning Routine:**
 - Start your day with Reoffee to benefit from its cholesterol-lowering and blood pressure-regulating effects.

DIABETES MANAGEMENT

With ReoBalance and Sugar Reset or Reoffee

BENEFITS

1. **Master Immunity Booster:** Helps strengthen the immune system.
2. **Boost Metabolism:** Supports metabolic functions.
3. **Relieve From Oxidative Stress:** Helps reduce oxidative stress.
4. **Powerful Anti-Inflammatory & Antimicrobial:** Contains properties that fight inflammation and microbial infections.
5. **Improve Vigour, Vitality & Stamina:** Aids in enhancing energy levels and stamina.
6. **Prevent from Lifestyle Diseases:** Claims to help prevent diseases related to lifestyle factors.

BENEFITS

1. **Regulates Blood Glucose Level:** Helps in maintaining normal blood sugar levels, which is crucial for managing diabetes or preventing blood sugar spikes.
2. **Stimulates Insulin Secretion:** Promotes the secretion of insulin, which is vital for regulating blood sugar by allowing glucose to enter cells for energy use.
3. **Promotes B-Cell Regeneration:** Supports the regeneration of B-cells (cells in the pancreas responsible for insulin production), which may help improve the body's natural insulin production over time.
4. **For Pre-Diabetics:** It may help delay or prevent the progression from pre-diabetes to type 2 diabetes by supporting healthy insulin function and blood sugar control.

Option

Benefits of Reoffee:

1. **Supports Insulin Sensitivity:**
 - Ingredients like Ginseng and Ganoderma are known for their ability to improve insulin sensitivity, making it easier for the body to manage glucose.
2. **Balances Energy Without Sugar Spikes:**
 - The blend of ingredients helps provide sustained energy without the crashes associated with fluctuating blood sugar levels.
3. **Reduces Sugar Cravings:**
 - By promoting stable blood sugar and enhancing fat metabolism, Reoffee helps reduce cravings for sugary or high-carb snacks that can elevate glucose levels.
4. **Natural Support:**
 - Reoffee offers a natural approach to blood sugar management, combining caffeine with powerful herbs and adaptogens that provide holistic support.
5. **Morning Ritual:**
 - Drinking Reoffee in the morning can help stabilize blood sugar levels throughout the day by enhancing insulin sensitivity and reducing sugar cravings.

ReaTure®

WEIGHT MANAGEMENT

With ReoSlim Powder and Reoslim+ Tablet or Reoffee

BENEFITS

1. **Thermogenic Fat Burner:** Increases body temperature slightly to help burn more calories.
2. **Reduces Excess Weight & Fat:** Promotes natural fat loss by targeting stored fat.
3. **Suppresses Appetite:** Reduces hunger, aiding in controlled calorie consumption.
4. **Increases Metabolism:** Boosts the body's ability to burn fat faster, improving overall metabolic health.
5. **Fenumann™:** helps reduce body fat by enhancing fat breakdown (lipolysis). It also promotes the reduction of visceral fat (the fat around internal organs).
6. **Forskolin Extract:** Increases metabolic rate, helping burn fat more efficiently. Stimulates the release of stored fat from fat cells, promoting weight loss.

BENEFITS

1. **Nighttime fat burning:** A unique approach to ensure the body burns fat even during sleep.
2. **Supports metabolism:** Maintains metabolic activity, leading to better fat burning and weight management.
3. **Relaxation and recovery:** Combines fat-burning effects with ingredients that aid in restful sleep and recovery.
4. **Powerful Thermogenic:** Thermogenic ingredients increase the body's core temperature, leading to enhanced fat burning. This promotes faster calorie expenditure, aiding in the reduction of body fat and boosting metabolism.
5. **Fat Burning:** Supports enhanced fat metabolism by activating thermogenic properties. This leads to increased calorie burning, even while at rest or during sleep.

Option

Benefits of Reoffee:

1. **Boosts Energy Levels:**
 - Caffeine from Coffee: Provides a quick energy boost, helping to reduce fatigue and increase alertness, making it ideal for starting your day or fighting off sluggishness.
 - Supports Brain Health and Cognitive Function:
2. **Enhanced Workout Performance:**
 - The energy and endurance provided by Reoffee make it a great pre-workout beverage, enhancing your physical performance and leading to better fat burning during exercise.
3. **Pre-Workout Boost:**
 - Drink a cup of Reoffee before your workout to increase stamina and fat-burning potential.
4. **Morning Kick-Start:**
 - Replace your regular coffee with Reoffee in the morning to jumpstart your metabolism and reduce appetite throughout the day.

DEPRESSION & ANXIETY

With ReoRest and ReoMega
or Reoffee

BENEFITS

1. Improves Sleep Quality and Duration:

- Sleep disturbances are common symptoms of both depression and anxiety. Poor sleep often worsens these mental health conditions. ReoREST promotes better sleep quality and longer sleep duration, which is crucial for mental recovery, mood stabilization, and reducing stress levels.

2. Strengthens the Nervous System:

- Depression and anxiety can overstimulate the nervous system, leading to chronic stress, fatigue, and emotional instability. ReoREST helps strengthen the nervous system, enhancing its ability to handle stress and reduce symptoms associated with overactive anxiety responses.

3. Relaxes and Calms the Mind:

- Calming the mind is essential for those struggling with anxious or depressive thoughts. ReoREST contains ingredients that promote relaxation, helping to ease racing thoughts, reduce tension, and bring about a sense of peace.

BENEFITS

1. Improves Mental Clarity and Focus:

- Mental fog, a common symptom of both anxiety and depression, can be improved with regular intake of DHA. By boosting brain cell repair and longevity, Reomega 1100 enhances cognitive function, helping to reduce mental fatigue and improve focus.

2. Reduces Anxiety:

- Omega-3 fatty acids are known for their role in reducing anxiety levels. DHA helps modulate the body's stress response by lowering cortisol, the stress hormone, and enhancing the brain's resilience to stressful situations.

3. Supports Sleep, Reducing Anxiety and Depression Symptoms:

- Many individuals with anxiety or depression struggle with sleep disorders. DHA has been shown to improve sleep quality, which in turn reduces stress, anxiety, and the risk of depression. Better sleep contributes to better mental health overall.

Option

Benefits of Reoffee:

1. Boosts Energy Levels:

- Caffeine from Coffee: Provides a quick energy boost, helping to reduce fatigue and increase alertness, making it ideal for starting your day or fighting off sluggishness.
- Supports Brain Health and Cognitive Function:

2. Enhanced Workout Performance:

- The energy and endurance provided by Reoffee make it a great pre-workout beverage, enhancing your physical performance and leading to better fat burning during exercise.

3. Pre-Workout Boost:

- Drink a cup of Reoffee before your workout to increase stamina and fat-burning potential.

4. Morning Kick-Start:

- Replace your regular coffee with Reoffee in the morning to jumpstart your metabolism and reduce appetite throughout the day.

SEXUAL WELLNESS

With Reature Mate and Reoffee
or Reobalance

BENEFITS

1. **Improved Libido:** Ayurvedic ingredients often aim to boost sexual desire and arousal.
2. **Better Hormonal Balance:** Some herbs can support testosterone levels, improving sexual performance.
3. **Ashwagandha:** Known for reducing cortisol levels and improving libido.
4. **Shilajit:** A natural mineral pitch that boosts stamina, testosterone levels, and general vitality.
5. **Safed Musli (Chlorophytum borivilianum):** Used to treat erectile dysfunction by enhancing blood flow to the genital area.
6. **Gokshura (Tribulus terrestris):** Promotes nitric oxide release, improving vascular health and erection quality.
7. Ingredients like **Shatavari** or **Shilajit** are believed to naturally boost Testosterone, Essential for healthy sexual performance in men and women.
8. The herbal combination supports energy production and reduces fatigue, which improves endurance during physical and sexual activities.

BENEFITS

1. **Korean Ginseng:** Known as a natural aphrodisiac, Ginseng helps enhance libido in both men and women by improving blood circulation and increasing the production of sex hormones.
2. **Ganoderma & Lion's Mane Mushroom:** Both act as adaptogens, reducing stress and anxiety, which are common causes of sexual performance issues. A relaxed mind can lead to better sexual experiences.
3. **Ginseng:** Known for boosting physical endurance, Ginseng helps maintain energy levels during sexual activity.
4. **Lion's Mane:** While more focused on cognitive benefits, it reduces fatigue and enhances overall vitality, contributing to better sexual performance.
5. **Ganoderma:** It regulates hormones, including testosterone, which plays a key role in male libido and performance. Balanced hormones contribute to better sexual health in both men and women.

Option

Benefits of Reobalance:

1. **Improves Vigour, Vitality, and Stamina**
 - Boosts energy levels and physical endurance, which can enhance sexual performance and reduce fatigue during intimacy.
2. **Reduces Stress and Oxidative Damage**
 - Chronic stress and oxidative stress are major contributors to sexual dysfunction. The antioxidants and adaptogens in ReoBalance may help lower stress levels, supporting a healthy libido and improving performance.
3. **Boosts Metabolism and Hormonal Balance**
 - A healthy metabolism is often linked to better reproductive health. ReoBalance may support hormonal balance, which can improve libido and overall sexual function.
4. **Prevents Lifestyle Diseases**
 - Conditions like obesity, diabetes, and hypertension are known to contribute to erectile dysfunction (ED) and sexual issues. ReoBalance may support the prevention or management of such conditions, indirectly benefiting sexual well-being.

BRAIN SUPPORT

With Reature Mate and Reoffee
or Reocal-D3

BENEFITS

1. Strengthens the Nervous System:

- Stress and anxiety affect the nervous system, causing fatigue and overactivity. ReoREST helps calm and strengthen the nervous system, improving its ability to manage stress effectively.
- A stronger nervous system boosts mental resilience, making it easier to cope with challenging situations.

2. Enhances Mental Clarity and Focus:

- Poor sleep often leads to brain fog and concentration issues. ReoREST promotes quality sleep, helping the brain stay refreshed and improving focus, decision-making, and productivity.
- Better sleep leads to enhanced mental performance and reduced cognitive fatigue.

3. Regulates Stress Hormones:

- Chronic stress increases cortisol levels, which negatively impact brain health. ReoREST helps regulate the body's stress response by balancing cortisol, promoting a calm and relaxed mind.

BENEFITS

1. **Korean Ginseng:** Improves mental alertness and helps prevent age-related cognitive decline.
2. **Ganoderma:** Its anti-inflammatory and antioxidant properties prevent oxidative stress, a key factor in neurodegenerative diseases.
3. **Lion's Mane:** Supports emotional well-being by reducing anxiety, contributing to a calm mind that performs better under pressure.
4. **Lion's Mane:** Boosts cognitive motor function, which can be beneficial for athletes or individuals involved in activities requiring quick reflexes.
5. **Holistic Cognitive Support:** Combines mental clarity, memory enhancement, and mood regulation in one natural drink.
6. **Neuroprotective Ingredients:** The inclusion of Lion's Mane and Ganoderma helps safeguard the brain from age-related decline.
7. **Adaptogenic Benefits:** Reduces stress and anxiety, promoting optimal mental function in challenging situations.

Option

Brain Health Benefits of ReoCal-D3:

1. Vitamin D3 (Vegan) – Cognitive Function and Brain Protection:

- **Reduces Brain Inflammation:** Vitamin D3 helps lower neuroinflammation, which is linked to cognitive issues and neurodegenerative diseases like Alzheimer's.
- **Supports Neurotransmitter Production:** It regulates serotonin and dopamine, which are crucial for maintaining cognitive stability and emotional regulation.
- **Prevents Cognitive Decline:** Research shows that Vitamin D deficiency is associated with higher risks of dementia and impaired memory.

2. Vitamin B12 – Nerve Health and Brain Performance:

- **Protects Nerve Cells:** B12 plays a vital role in forming the myelin sheath, which ensures fast and efficient communication between neurons.
- **Improves Cognitive Focus:** B12 helps prevent symptoms like brain fog, confusion, and forgetfulness, supporting sharp thinking and concentration.
- **Supports Sleep-Wake Cycles:** B12 aids melatonin production, contributing to proper sleep, which
